Forecast for Sunday 22 Aug 2021

Weather: Any rain clearing overnight but staying misty with persistent low cloud. Cloud beginning to thin during the morning with some brightness by afternoon. During the afternoon there will be some sunny spells but also a few showers. A mainly dry and partly cloudy evening.

Chance of cloud free mountain/hill tops above 800m: Initially 10% however extensive low cloud will lift and thin during the morning and by afternoon 80% with patchy low cloud affecting some summits.

Visibility: Visibility will be quite poor for the early part of the day with broken low cloud from 400m and above. As cloud bases lift and cloud becomes more scattered visibility will improve and only dip in any afternoon showers. By afternoon there will be a few patches of low cloud from 700m but mostly clear tops with good views.

Met Office Aberdeen Meteorologist's View
Mainly light winds throughout and feeling quite warm.

Forecast for Monday 23 Aug 2021
Weather: Mainly clear overnight but some fair weather cloud developing during the morning, otherwise a day of sunny spells and the possibility of a light afternoon shower. Mainly clear during the evening.

Maximum wind: Northwesterly 5-10mph

Chance of cloud free mountain/hill tops above 800m: 7-80%, A few patches of low cloud around in the morning but cloud lifting more during the afternoon.

Visibility: Perhaps a bit misty at the start of the day but becoming good visibility with good hill views to be seen in the afternoon. Visibility might dip in an afternoon shower but these should be short lived.

Temperature: **Glens:** Plus 14 rising to 19 Celsius.
At 800m: Plus 10 rising to 16 Celsius.
Freezing level: Above the summits.
